Asana

## Technical Projects

Go Vibe | UX/UI Designer + Front End Engineer | [Github Link](#) July 2023

- Simplified process of finding new activities nearby, allowing users ability to create itinerary for today or add to favorite list for later
- Developed an interactive and seamless interface with a team of 6, using React Native, CSS, Ruby on Rails and API
- Designed splash screen animation, navigation and ensured compliance with ADA guidelines

Interior Room AI Visualizer | Software Engineer | [Github Link](#) June 2023

- Imagined a barebones, website to visualize photorealistic images of interior rooms within a couple clicks
- Sharpened React interactive components and CSS styling skills
- Explored the power of AI with Open AI Dall-E API for functionality

Grandad's Tech | UX/ UI + Front End Engineer | [Github Link](#) June 2023

- Collaborated with a team of 4 on the design and development of an end-to-end ecommerce website - including an admin portal to create, view, edit and delete products
- Used React, Redux and CSS to connect backend routes to front end functionality
- Executed UX/ UI design concepts to ensure a smooth and visually appealing user experience

## EMPLOYMENT

UX/ UI Design Intern | Bean.la 2022

- Designed wireframes and prototypes optimized for range of devices
- Addressed user pain points of websites to improve engagement and user satisfaction
- Honed skills in user-centered design, information architecture, and responsive design principles

Associate Interior Designer | Matters of Space 2019 - 2022

- Worked closely with principal designer primarily on residential remodels and custom decor
- Participated in all aspects of the design process such as sending purchase orders, client invoicing, material selection, and drafting - furniture plans, electrical plans, kitchen and bath elevations, and custom furniture details
- Facilitated project management of 3-5 projects concurrently, ensuring smooth communication between the woodshop team, vendors, contractors, and clients

Design Assistant and Buyer | Cafe Stella 2018 - 2019

- Drew floor plans and furniture plans for a restaurant including elevations of the bar and built-ins cabinetry and shelving, and 3D renderings of the garden patio
- Sourced and processed 50+ products from European and Japanese manufacturers for specialty marketplace
